Close to two very successful residential complexes, this area is very much appreciated and the success of the 2 afore-mentioned projects gives confidence that a new project here will create a great deal of interest from buyers looking for a peaceful location in a beautiful landscape but close to all the main thoroughfares and the town of Estepona.

The plot is very attractively located with sea views and is 6 000 m².

The value is calculated when fully urbanised is EUR 300/sqm with that location and all with all the new development happening, and the prime location.

If you would like to know more about this land and even make a visit then please let me know and I can show you all of the current paperwork that is relevant to the Town Hall process.
