There are also a few citric trees and space to plant trees of your choice. Currently the farm requires taking back into hand to be able to achieve full production.

On the property there is a large, raised water deposit which is fill by well water and has a system to mix in fertilizers for irrigating the trees via the complete irrigation system already installed.

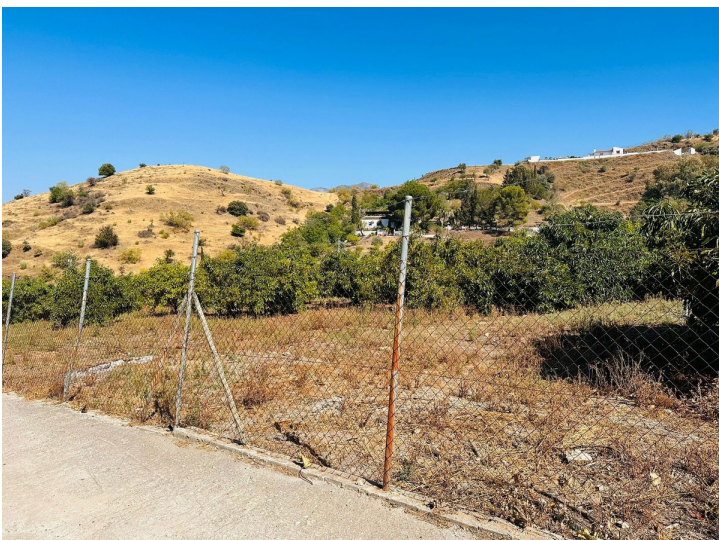

There is a duelling on the property which consists of two bedrooms and a living area. Adjacent is a storeroom for machinery and on the other side of the covered terrace is the bathroom. The built areas need reform but could be made into a lovely farmhouse.
