

Residential Plot for sale in Torreblanca, Costa del Sol

500 m² Plot |

Property Description

South-Facing Plot for Sale in Lower Torreblanca – 500 m²

One of the few remaining plots in the lower part of Torreblanca, this south-facing 500 m² parcel is located just 700 meters from the beach and within a 10-minute walk to shops, restaurants, and public transport.

Set in a quiet residential area, it's an ideal spot to build a detached single-family home in a well-connected and established part of Fuengirola.

Torreblanca continues to attract attention for its blend of tranquillity and convenience. With property values rising steadily and limited plots available in such prime locations, opportunities like this are becoming increasingly rare. The area offers strong potential for both personal enjoyment and long-term value.

Price negotiable for a swift sale.

This information is presumably correct but not guaranteed. The price or sale status can be modified without prior notice.
